Millcroft Golf Club – 2009 Tournament Agreement

Payment

All groups under 40 golfers must submit a credit card number to confirm booking of your tournament. Full payment is due on the day of tournament prior to tee-off. The tournament coordinator must arrange one payment in full, as individual payments for tournaments with more than 20 golfers will not be accepted, no exceptions made. All groups with more than 40 golfers must pay a non-refundable deposit prior to their tournament date (please see amount required on contract) to secure/confirm your tournament function. This deposit is due immediately upon our receipt of your tournament agreement and contract. This deposit will be applied to an account in the name of the tournament and will be deducted from the total fee due on the day of your tournament. The remainder amount must be paid the day of your tournament, prior to tee-off. Deposits will be forfeited should your tournament be cancelled at anytime.

Confirmation of Numbers

A final count for golf and meals must be confirmed 10 days prior to the tournament. The final number count for golfers can be adjusted by 4, however the final count of meals stands firm at the given count 10 days prior to tournament.

Dress Code

Golfers at Millcroft are to wear proper attire. Blue Jeans, cut-offs, track pants or tank tops are not allowed. A player will be turned away if dress code is not followed. Soft spike shoes only please!

Power Carts/course maintenance

Any damage to power carts or any related item on the course e.g. garbage cans, rakes, etc. are the responsibility of the tournament organizer and will be billed accordingly.

Outside Food and Beverage

Any alcoholic beverage not purchased at Millcroft will be confiscated and the golfer may be asked to leave without refund. No tournament is to bring personal food, beverage, or thermal coolers of any kind unless they receive permission from the catering department/Creative Catering Concepts at Millcroft. It is a breach against the Creative Catering Concept liquor licence under the AGCO to allow any outside alcoholic beverages to be brought on to Millcroft Golf Club premises.

Speed of Play

Course marshals will be monitoring the speed of play of golfers to ensure a fun and enjoyable round of golf for everyone. This is of great importance for keeping all of our customers satisfied. The course marshals have the right to ask a slow group to speed up or following slow play warnings will ask the group to pick up their golf balls and catch up to the group ahead. All tournaments over 30 golfers must play scramble format. Scramble format is played when all golfers hit their own golf ball. The group will then collectively decide which of all the golfers’ shots was most advantageous to their golf game, and then they will all proceed to this (1) agreed location and then each golfer will shoot their ball from this same location. And so on, until they have collectively sunk their ball into the hole.

Rentals

Each golfer must have their own set of clubs, rentals are available in the pro shop for a fee, please call ahead to reserve.

Rules Regarding Adjacent Homes

Golfers are solely responsible for any damage to houses caused by golf balls. Please respect the safety and privacy of our homeowners by shouting “Fore” when errant shots are in the direction of homes. Please do not Trespass, golf balls in backyards become the property of the homeowners

I have read and agree to all the terms and conditions of this agreement and will assure as the tournament organizer that all golfers respect and follow and are aware of all these rules.
