2022 FALL / 2023 WINTER NEWSLETTER

Thank you everyone for a great golf season!

FROM THE MANAGEMENT TEAM AT MILLCROFT GOLF CLUB

Dear Members,

As our 2022 golf season comes to a close, we just wanted to thank everyone for their business this season.

Most importantly the top question on everyone's mind is "will there be any changes to the golf course in 2023?". Aside from the possible tee levelling, planting or removing (dead) trees, and perhaps the removal of a sand trap here or there, as well as general maintenance and repair, the answer is "NO". There will be no re-design or restructuring or construction on any of our 18 holes on the golf course during the 2023 season. There will be no shortening of holes or layout changes on the golf course in 2023. For the most part, the golf course will remain the same as it was in 2022.

For the 2023 golf season, we will be offering game package memberships once again along with our Associate Membership. We will continue to offer League Play for members only, and will offer a Senior Men's League, a Ladies League, a Men's League and a Mixed League. For 2023, Members' privileges will include: up to (14) day advance booking, the Golf Canada fee for their scoring & other benefits (\$45.20 value), special member cart rates, the ability to play in leagues, and playing privileges at Mount Nemo Golf Club (formerly known as Indian Wells Golf Club) on Mondays & Tuesdays after 11am, space permitting.

FROM THE MANAGEMENT TEAM AT MILLCROFT GOLF CLUB CONT.

When signing up for your 2023 membership, via our Online Store on our website, all the various components that you would add are available and listed. You would first add your game package, which includes your Food & Beverage minimum, your league fee if you wish to play, and a prepaid power cart package if you'd like.

A big thanks to all the members who dedicate their time towards the operation of our member leagues. It definitely takes a village to run the various games and events throughout the season. From the captains to the committees we thank you for keeping the leagues for our members so organized and fun for everyone!

During the winter months the administration office will generally be open Monday to Friday from 10am to 4pm (weather/vacation pending). If you have an inquiry, best way to reach us is via email and we will get back to you just as soon as we can. **Please note the update for our new email addresses!!! We will no longer be using our bell.ca accounts.**

We will be sure to keep in contact with you through the winter. Until then, have a healthy, safe and happy holiday season and we wish you all a very Happy New Year!

Sincerely,

The Management Team of Millcroft Golf Club

The Tuesday Ladies League of Millcroft Golf Club will be having their Christmas luncheon at the club inside. They are collecting donations for the Burlington Food Bank from their attendees and any other members/friends that wish to swing by the parking lot and place any food items in the bins outside the clubhouse front steps are welcome to. We thank you in advance to anyone that stops by to donate. Simply pull your car up and deposit your items in the bins outside. As reported by The Burlington Food Bank the "most needed items" are: Canned vegetables, canned fish, canned meat (ham, turkey, chicken), canned fruit, peanut butter, hot & cold cereals, juice (boxes & litres), rice, pasta, shampoo, soap, toothpaste, toilet paper, , feminine hygiene products, crackers, canned tomatoes, baked beans.

THE TUESDAY LADIES

We started the season with an opening breakfast which everyone enjoyed, and we welcomed a lot of new ladies to the league this year.

We started organised foursomes at the beginning of May. This year we offered prizes each week for various skills including our yearly putting contest. Next season we hope to reintroduce match play and other competitive games and fun days in our schedule.

We had a great closing banquet in October which allowed us to celebrate a great season with great food, drinks and prizes.

A big thank you to our committee of Wendy Ross, Marie Kenyon, Di Krill, Kim Sunderland, Bonnie Beaudry, Elaine Dupris, Marg Kostuik, and Rosemary Bartello and Deb Stafford.

The success of our Tuesday Ladies League is not possible without the hard work of Jennipher Orr in Millcroft's administration office, Natalie and the team in the pro shop, Martin and his team who maintain Millcroft Golf Course in such exemplary condition, and Tara and Mike and Kirstie and all the great food and beverage staff. We appreciate all your efforts that allow us to enjoy our favourite sport of golf safely.

Due to rising costs our membership fee will be \$60.00 in 2023.

Have a safe, healthy, happy winter!

SENIOR MEN'S LEAGUE – We apologize but due to a communication error between the administration office and the Sr. Men's League we do not have a write-up at this time. In future if we have a write-up, this newsletter will be updated and reposted on our website. Thank you.

THE MENS LEAGUE

In 2022 the league operated all year and other than the first round of the season, we had great weather throughout the year. We closed our season (second day of the Ryder Cup event) on October 5. The Wednesday league grew to over 80 participants this year and the prizes were great as a result. Weekly prizes include Closest to the PIN. Sponsors included Gator Ted's, Golf Academy, the course pro shop and the course Food and Beverage. Members participated in 12 regular week games plus 6 tournament events during the season. Some members participated in a Ringer Board and Best Ten as well.

The tournament winners:

Tombstone – Josh Shrum and Brett Lain

Martin's revenge – Alex Pogacean

Two Men Better Ball - Terry Friel and Boyd Hamblin/Jamie Busch and Jeff Baker (Tie)

League championships

Championship - Mark Raven

Champion A – Lee Anderson and Jeff Baker (Tie)

Champion B – Ted Porter and Rob Sluban (Tie)

Champion C – Bryce Aitken

Match Play - Dave Bloomer

A hole in one was scored early in the year on hole #17 by Frank Strati. The support from the pro shop and the food & Beverage staff was great this year, The fantastic weather meant the course was in great shape on all holes.

We had support from other members including Brad Swift, Boyd Hamblin, Dean Stavro and Reid Stephenson for various roles in 2023. Dave Bloomer was very helpful to aid us in many areas. Many thanks to the assistant captains George Robson and Barry Wyner who made the year possible with their great support and contribution of their time.

As we move in 2023 Barry is taking over the captain role while George remains in his financial role.

Mark Raven will be moving into the executive in 2023 as well.

I am expecting 2023 to have even more growth and I know the members will step forward to aid the executive.

All the Best in 2023,

Mike Lothian

THE MIXED LEAGUE

We hope you all enjoyed the Friday morning mixed league this past summer! What a great group of folks to play with, thank you all for your enthusiastic participation (and for cheerfully selling raffle tickets when asked 😁). A warm thank you to Natalie, Kirstie and Jennipher along with their wonderful support teams for ensuring everything ran so smoothly, and the grounds crew for giving us such a lush and green course to play on. And of course, gratitude to Rick and Denise for bringing the glitz to our party events! 🍷 🍷

We tried a few new things this year, some that worked well and others that need "tweaking". So if you have any suggestions about format, events, games etc. we would love to hear them. (for you snowbirds, please feel free to "steal" any ideas from your winter clubs and bring them to us!) We also have room for a few more couples, so please encourage any of your friends that you think would enjoy playing to join us.

Wishing you all a safe and happy winter season, we look forward to seeing you all in the spring!

Faye Doerffer & Lynn Bevan

FROM THE DINING ROOM

Hi Everyone!

Another exciting season is behind us! A busy one for the us in the dining room to say the least.

Typically, we get a little down time in November, not this year! We have been go, go, go all month, and are prepping for a busy holiday season. We are gearing up for a busy month in December with onsite and offsite caterings - we are lucky to be able to keep our team busy during the colder months this year especially.

Some of you already know the exciting news, that Kirstie is expecting a baby girl! Our newest and littlest Millcroft Catering member will be arriving March 2023!

To keep up with what we are doing over the winter, follow us on Facebook (Millcroft Catering) and Instagram (@millcroftcatering). To those of you heading somewhere warm - enjoy and safe travels!

Big hugs, and see you in a few months!
