

FROM THE MIXED COUPLES LEAGUE

Welcome back to all the returning couples, and a heartfelt welcome to any new golfers who are joining for the first time. We are so excited to see you all!

The format will be Friday morning tee times followed by lunch on the patio. Each week will include games with prizes (everyone has a chance to win, not just the best golfers!), 50/50 raffles and a closing party to wrap up the year in September. The season will run from **opening day on May 12, 2023** to **closing day on September 29, 2023**.

The Couples League is a great way to meet folks in the neighborhood, and have good fun, fresh air, and exercise at the same time (and maybe the odd glass of wine :). We have room for more members, so if you know any friendly folks that would like to join us, please don't hesitate to get them in touch with us. All skill levels are welcome, as long as one person in the couple has purchased a club game membership package. Couples League fees of \$100 per couple covers all games for the year, and some nice surprises.

Looking forward to seeing all of you again in the spring sunshine. Any suggestions, game ideas, compliments, or complaints (ha!) should be sent to Lynn and Faye.
