

FROM THE MONDAY/WEDNESDAY SENIOR MENS' LEAGUE

Your Senior Men's Executive Committee, we would like to welcome back all our returning members and extend a warm welcome to all our new members. It has been a long winter and I'm sure everyone is looking forward to getting back out there.

MONDAY Senior Men's League

As in previous years, our Monday sign-up sheets will be available on the Senior Men's bulletin board in the Men's Locker Room. The sheets will be available 3 weeks in advance and will be removed 10 days prior to the play date. Foursomes will then be arranged, and you will receive an email with your tee time. Monday game formats are still being finalized but will follow a similar pattern to previous years. Our first official game is tentatively scheduled for Monday, May 1st depending on weather.

Events, such as Tombstone, Dream Team, Young Pups Old Dogs, and our league championship will round out the season.

WEDNESDAY Senior Men's League

For Wednesday games we would like to remind all members that you are responsible for booking your own tee times through the Millcroft website or directly through the Pro Shop. The members make up their own foursomes or ask the Pro Shop that you be placed with peers when booking tee times with them. As in past years, **Cleaners** will be the game choice for the Wednesday competition.

A big thank you to our Executive Committee for volunteering their time to our League. As many of our executive committee have been volunteering for several years, we are seeking new volunteers to take on some of the roles that will be vacated. Please give this some serious consideration to keep our League running."

We are always open to suggestions so please feel free to share your ideas with any member of the executive.

Our goal is to provide a fun environment for all where you can have a friendly round of golf as well as the fellowship of other members during or after a golf game.

Again, welcome back and your Executive wish you all a great 2023 season.

Bill Wilson, Sr. Mens Captain
