

The 2024 golf season is almost here! We look forward to seeing you!

Dear Members & Friends,

We hope everyone has wintered well and is ready for another great season at Millcroft Golf Club! We were walking the 18th fairway yesterday, beautiful green grass, course is looking great, and then today, Mother Nature decided she wasn't done with winter yet, dumping this white stuff on us! Looking ahead, we know it won't last and we'll be out on the course in no time!

A warm welcome to all of our new members to the club this year, we are happy to have you on board with us.

Although our official opening day has not been set, we eagerly watch the weather forecast and will most certainly email everyone when that day is known.

This email is just to provide you with information on the upcoming season and some helpful reminders if needed.

For returning members or golfers who wish to join the club's golf membership, you can purchase your 2024 membership online via our website: www.millcroftgolfclub.ca and then click on the menu, Online Store

[\(https://www.millcroftgolfclub.com/online-store/\)](https://www.millcroftgolfclub.com/online-store/)).

If you are a member of the club, you are welcome to play in our various golf leagues we offer. We have a Sr. Men's League that plays on Mondays/Wednesday mornings, a Ladies League that plays on Tuesday mornings, a Men's League that plays Wednesday afternoons, and a Couples League that plays on Friday mornings. If you plan to play in a league this year, please visit our website's Online Store menu, and then choose the Leagues tab, and select the league you wish to play in, add to your shopping cart and process payment. Once your payment for the league is received, the club will then forward your email onto the specific league captain and you begin to receive correspondence from the league itself on upcoming dates, information pertaining specifically to the league. Additional information pertaining to the leagues can also be found on the club's website (under the Membership menu, then Membership Leagues).

Opening Days for the Leagues are: Sr. Men (Mon. May 6th), Ladies (Tues. April 30th), Men (TBA), Couples (Fri. May 10th). Sign up instructions for the 1st day will be provided to you via the league captains in an email..

As our season begins, signing up for various weeks of play with the leagues is handled differently by each league.

-The Senior Men (Mon. morning play) will post sign-up sheets within our Men's locker room that will allow you to sign up for Mondays in advance and then the committee will assign your playing partners and specific tee time and email the draw to you. Wednesday morning play you will sign up directly with the pro shop and they will pair you with other players if avail.

-The Ladies (Tuesday morning play) will post sign-up sheets outside of the Ladies locker room for multiple weeks in advance. You will be assigned your playing partners and tee time and this will be emailed to you.

-Men's League (Wed. afternoon play) you will book your own tee time either with the pro shop in person, by phone, or by booking online via our website through "Book A Tee Time" and then selecting "League Players Enter Here". This will allow you to book your time within a blocked space for this

league on our tee sheet.

-Couples (Friday morning play) The Captains will email the league each week asking who would like to play on upcoming days ahead. Captains will then pair the players, assign their tee times and email them the draw.

To book your tee times online (outside of playing with the leagues), you simply visit our website and click on "Book A Tee Time" and then "Members Enter Here". This will bring you to a login screen asking for your

Username/Password. Your username is something auto-created by Tee-On, our golf software. Existing members will continue to use the same logins you always have. For new members, you would be emailed a username and then would set up a password either on purchase or following a link in an email sent to you from: Tee-On Golf Systems Inc./Support@tee-on.com ***Check your JUNK folders just in case, as many email programs will dump these emails into this folder. Mark this incoming name/email as safe and it will come into your inbox going forward. In the event that you forget your username/password, below the login box when booking your tee time, you will see "Forgot Username/Password?". Click on this and an email will be sent to you with further instructions. If you need further assistance with your username/password being emailed, please let Jennipher know (admin@millcroftgolfclub.ca). The online booking system will not currently let you in at the moment as it's turned off until we officially have an opening date set and tee sheets are open online. Besides using our online booking system, you are of course always welcome to call the pro shop or see them in person as well to book your tee times. Anytime you are booked on our tee sheets, whether it is in a league, outside of a league, whether you booked online, by phone or in person, you will always receive an email confirming your day/time you are booked to golf. In the event that you forget your day/time you are booked to golf, login to your golf account as if you were booking a tee time, and you can find a list of all of your upcoming golf games.

Dining Room Minimums will be will be ready to use for your food & beverage purchases within the dining room, patio and on the beverage cart. Your pre-paid credit will be applied to your account and will show on your receipts as a

credit balance, in brackets at the bottom of the receipt. Upon purchasing items, simply provide the server with your first and last name and then you will sign a receipt for the total charge. The balance on your receipt prior to signing, is the balance you have remaining in your account to use. As you use your account for purchases, your balance will decrease until you have used the funds and your account is at zero.
